[Click here for more info](#)

## Rhode Island

Effective June 7, 2010, generators are not required to photocopy and send manifests. Manifests are sent to the state by the receiving Hazardous Waste Facility.

[Click here for more info](#)

## Vermont

As of now, generators are not required to send a photocopy and send manifests. It is the generator's responsibility to ensure the State receives "designated facility to generator state" and/or "designated facility to destination state" copies.
