

# E-Waste Recycling

**REMEMBER:**

- ◆ **Contain e-waste:**
  - In a secure Gaylord-type container on a skid, or
  - Shrink-wrapped on a skid
- ◆ **Attach “Universal Waste—eWaste” label**
- ◆ **Add accumulation date to container or item and recycle within 1 year**
- ◆ **Separate CRTs from CPUs if possible**
- ◆ **Do not exceed container’s capacity (don’t overfill)**
- ◆ **NO microwaves or air conditioners**
- ◆ **Store containers indoors**
- ◆ **Maintain copies of all shipping paperwork**
- ◆ **Train employees on proper e-waste management**

Acceptable eWaste types:

- Computers
- Laptops
- CRTs/LCDs
- Printers
- Servers
- Copiers
- Fax machines
- Peripherals
